1. I give you more. I give you more and I give you Me. I give you Me because you have come to Me more and you have cried out to Me and you consummate yourself to Me, you consummate yourself with Me. The consecrated consummation is so powerful, Ted. So powerful My body, so very, very powerful.
2. If you only knew, you who don't, you would come and consecrate consummation as well and you will, you will—I invite you—you who choose, choose Me. Choose Me to consummate your life, to be the capstone of your emotions, of your emotional experiences, caveats none, consummating with only Me. I love you. I love you and I give you Me for nothing else has any sway now.
3. Thank you for pinpoint accuracy, honing in on your target, Me--letting all else go, letting go of all else. I am Me. I am all. I am everything and I give you Me unrestrictively, unrestricted, purely, purely Me. I give you Me. I love you and I thank you.
